

## Local Government Membership

With a Local Government Membership, your municipality government department or organization will be a part of a diverse group of professionals, elected officials and volunteers committed to advancing the benefits of recreation through innovation, leadership, resources and training.

Local Government Membership (*which would include a Recreation Commission/Recreation Authority/Recreation District*) offers groups flexibility, convenience and value.

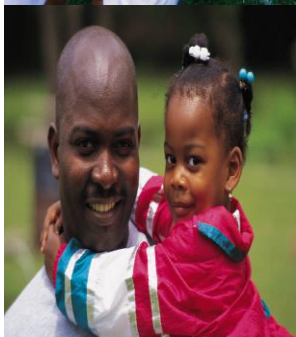

### Benefits include:

- Quick and easy registration, once a year, for recreation employees, volunteers and/or elected officials
- For those individuals registered as members of Recreation Connections Manitoba (RCM) they will receive:
  - ❖ Regular electronic news flashes & bulletins
  - ❖ Discounts at RCM events including the Annual Provincial Conference
  - ❖ Complimentary copy of “The Connections” – Who’s Who Directory in Recreation, Sport and Fitness
  - ❖ Access to member only areas on the RCM website
  - ❖ The right to vote on issues, hold office and elect Board members

The Local Government Membership, for the purpose of training and professional development only, is **transferable**. Registered members would reap all the benefits as outlined above and more. However, should your municipal office, government department or organization want to send an employee, volunteer and/or elected official (who is not a registered member) to an RCM workshop, seminar or training event, you could and would be eligible for the members’ discount.

Additional individual memberships can be purchased by local governments. Please contact the RCM office or visit our website for more information.

**Join us in building a strong, collective voice for the future of recreation in Manitoba.**
